

## **Product Management Intern / Working Student (m/f)**

Tax declarations are complicated, time consuming and no one really understands them. We are on a mission to change that: With specialised tax tools (e.g. for students, retirees, soldiers) and a modern UX, we are rethinking the whole tax industry. We are currently looking for a motivated Product Management Intern to join us on this mission. This is a full time role (part time option can be discussed), based in our cosy loft in the middle of Berlin, Kreuzberg.

### **You will:**

- Learn and practice principles of Agile development and product management
- Be a part of defining the product specifications and requirements
- Focus on complex problems and help come up with creative solutions for them
- Work with cross functional team of experts in fields of software development, marketing and design to ship new features which bring value to our customers

### **Who are we looking for?**

- Analytical approach to solving problems
- Ability to communicate ideas in a simple and clear way
- Familiar with recent web/mobile technologies
- Computer science/software development/product or project management background will be an advantage
- Great attitude and enthusiasm to learn and contribute
- Native german speaker

### **Why work with us?**

- You can expect a cool office located in Berlin, Kreuzberg
- No day is like the other - we offer you exciting and varied tasks in an fast-paced international work environment
- Flat hierarchies and quick decisions
- Regular team lunches & events
- Fast growing company with renowned investors
